# **Today's Homeowner** *presents*

## Wish your home came with instructions?

### Today's Homeowner delivers what you need to know.

#### **HEALTHY HOME**

People spend 90% of their time indoors during winter. Tackle these chores to ensure healthy air and water quality throughout the season.

#### SAFETY

Home accidents increase during cold and icy winters. Having these supplies and tools on hand will help prevent the risk of slips & falls.

#### **AVOID WATER DAMAGE**

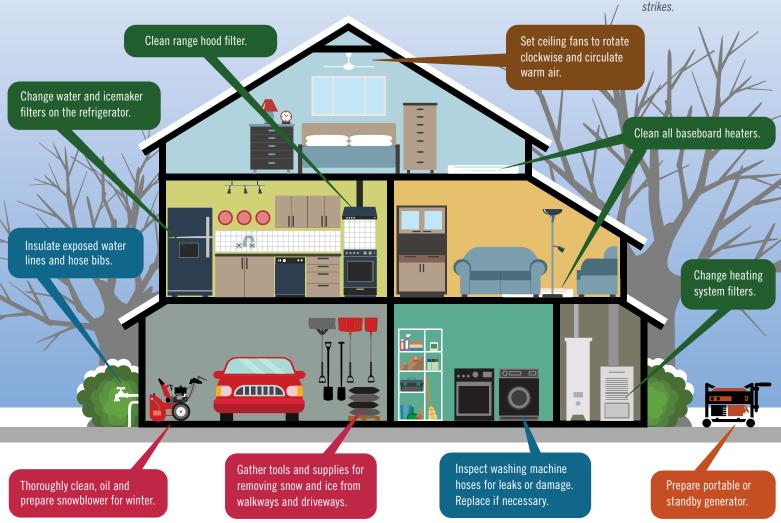

Water damage from leaks and frozen pipes is the second leading cause of loss for homeowners. Complete these tasks to protect your home.

#### **COMFORT**

Use ceiling fans to circulate warm air during chilly months to keep your family and guests comfortable without bumping up the thermostat.

#### **BE PREPARED**

Power outages from icy conditions are a common occurrence. Tune up your generator to keep your family comfortable when Old Man Winter
